

REGISTRATION REQUIREMENTS

STUDENT MUST BE RESIDING IN THE DISTRICT AND AVAILABLE FOR ANY NECESSARY TESTING AT THE TIME OF REGISTRATON

Proof of Residence (one form of identification from each list)

List A

PG&E Bill* with Property Tax Bill
PG&E Bill* with valid Lease Agreement
Affidavit of Parent Residence

List B

Driver's License with current address
Bank statement or preprinted check
Car registration or insurance
Payroll check

*Original current, Pacific Gas & Electric bill. (Photocopies cannot be accepted.) PG&E bills with multiple names will require two forms of additional proof of residence from List B. If you are a NEW resident, escrow documents or a valid rental/lease agreement is required until you receive your PG&E bill. You will be given a conditional registration form for 30 days until a PG&E bill is provided. Printed on-line PG&E bills will require two forms of identification from List B.

An Affidavit of Parent Residence signed by you and the primary resident, must be completed in the Student Assignment Office if you are residing with another person. The primary resident will be required to provide proof of residence listed above. You will need to provide two forms of identification from List B.

In instances where none of the above documents are available at the time of registration, the parent should contact the Student Assignment Office, (408) 252-3000, Ext. 110.

Proof of Age

Certificate of birth (certificates provided by the hospital are not acceptable), a baptismal certificate duly attested, a passport or an affidavit signed by the parent, guardian or custodian of the child.

Students entering from another country are required to have a passport.

Immunization Requirements – immunization records are required at the time of registration.
